## TWENTY-TWO MILLION REASONS FOR MUNICIPAL OWNERSHIP

Twenty-two million reasons, each of them worth a dollar, are furnished in favor of municipal ownership in the deal which Toronto has tentatively adopted with Mackenzie and Mann for the repurchase of the street railway and electric lighting system and franchises in that city, together with the control of their streets.

Toronto's experience with private ownership shows in its most glaring silhouette the cost to the public of private ownership.

Toronto at one time, and not so long ago, had control of her own streets and owned her own franchises. She operated her own street railway, with indifference since it is true, and held in her hand the right to grant or withhold the lighting and power franchises, carrying with them the right to string wires in the highway.

But the people of Toronto, apparently afraid to retain in their own hands a wealth in the form of franchises which the public alone could give value, handed the right to exploit the citizens over to Mackenzie and Mann, in the form of a twenty-five-year franchise for electric and traction, of which eight years remain to run.

Since then the people of Toronto have learned much. First of all they have learned that the private corporation is not concerned as to whether the service is good or not, so long as it makes money. This fact was apparent to all, even without the necessity of thinking of the application of deduction. Second, they learned, when the hydro-electric came in, that private ownership, in spite of all its alleged advantages of economy in management, could not compete with public ownership in the same field; that, in fact, public ownership, having no dividends to pay on watered stock, was in a position to give the public cheaper and better service than private ownership could ever hope to give. This also was apparent without the necessity of analysis, the evidence being furnished in the difference in the cost of household lighting after the hydro-electric came into the field. Next, it commenced to dawn upon the citizens of Toronto that it made no difference in whose hands the franchises lie, public or private, that the cost of the installation, as well as the operation, is on the public in any event, and the public builds and equips the roads for private capital in the same sense that it builds the roads under public ownership.

This is the feature of private ownership which the public mind finds it most difficult to grasp, and the superstition that the public, in some occult manner, escapes going into debt when it gives away a franchise, is one of the most treasured and carefully fostered follies of the age. To fully grasp this point requires a certain amount of analytical thinking on the part of the public, and many communities are a long way from having mastered it even yet. But Toronto had the advantage that its stock market is one of the most evident institutions of the city, and the dealings thereon were a matter of public knowledge. So that, when the franchise holders were seen from time to time floating issues of bonds to cover the cost of the enterprises, or watered stock to represent the earning power, it gradually commenced to dawn upon the thinking members of the community that these issues were quite as much a debt which must be discharged by the patrons of the road as though they had been debentures floated by the city, with the city's imprimatur and guarantee thereon and subject to repayment out of the receipts.

When the people of any community grasp this point, the requirement of private ownership is about due.

But the people of Toronto, as a penalty for having given their franchise away, and after having once paid through the medium of fares and electric rates for a very large part of the equipment, now learn that they must pay for these again and must pay as well a very handsome price for the relinquishment of the franchise which the citizens handed the private owners at no cost at all.

Whether Toronto buys the enterprises and franchises, or whether she does not, makes no difference to the citizens in the matter of payment for the franchise. They pay for it in any event. It is there in the purchase price if they buy, and it is there in the fare price if they fail to buy. Under any circumstances, it is a debt which must be paid. But by the purchase of the franchise, Toronto gets away from the private owners the right to place further mortgages upon the public in the form of over-capitalization.

Had Toronto stayed with municipal ownership as she started out to do, the public would not today be accepting a debt of \$22,000,000 to rid their streets of Mackenzie and Mann. Out of the earnings of their street railway and electric plant, they would have already recovered most of the capital invested from time to time as the cost of installing the various utilities, and they would be bearing no debt in the form of capitalized franchise.

Every dollar which the public pays through fares toward the retirement of the bonds of a privately-owned utility is just so much more debt added to the public in another form, the bonded indebtedness thus retired furnishing at once the opportunity for the flotation of more watered stock to absorb the increased earnings.

Every dollar which the public pays through fares toward the retirement of the debentures of a municipally-owned utility is just so much of the debt wiped out and abolished, furnishing the opportunity for cheaper or better service.

Toronto has quite evidently grasped this formula, and as a penalty for not having seen it long ago she is paying Mackenzie and Mann twenty-two million dollars.

## LAYING UP A CHORE FOR T. SHAUGHNESSY

Four large storage elevators are to be erected by the Dominion government, one at the Pacific Coast, one at Moose Jaw, one at Saskatoon and one at Port Nelson on the Hudson Bay.

With two new highways to the Pacific Coast via the Yellowhead, to be opened next year, it would be interesting to know by what mental process the wise ones at Ottawa overlooked this city to the Coast and the Canal, or the Dominion government must be called upon to meet the interest on the bonds of the railways which they have guaranteed.

In one case or the other the Dominion government is wrong. Either it was wrong when it guaranteed the bonds and permitted the municipal backers of both new transcontinental to sink their millions, or it is wrong when it fails to recognize Edmonton as the coming wheat centre. As public judgment has never yet manifested in corroborating the judgment of the men who

conceived the G. T. P. and the C. N. R., and as public judgment thereby scouts even the trace of a doubt that the wheat will go west, the government's error is evidently in refusing to recognize Edmonton.

Possibly, as a concession to Bennett and the C. P. R. the government will eventually build a storage elevator in Calgary and leave it to Shaughnessy to jack the stream of wheat over the eternal hills of the Kicking Horse.

WELCOME NEWS FROM THE BALKANS.

The Balkan war is very shortly to come to an end, and as the settlement is arrived at through the defeat of the Bulgarians it is altogether probable that it will be permanent. Bulgaria has been the trouble-maker in the recent controversy, but unless dispatches are altogether unreliable, Bulgaria's potentiality for further trouble is just about the vanishing point.

The news that a permanent settlement is in sight will be welcomed to western Canada. With the crop coming on, and immense money about to be required to handle it, a continuation of the war for any great length of time would certainly prove disastrous. As it is, the war has certainly proved the worst trouble enough, and the termination of it in corroborating the judgment of the men who

## TODAY IN DOMINION HISTORY

Canada's first railway line, from St. John's to L'Anse-au-Loup, Quebec, was opened 77 years ago today, July 21, 1836. This crude little line, only a few miles in length, was the beginning of the vast network of steel that now covers the Dominion from the Atlantic to the Pacific, and which is being increased at a rate that places Canada in the forefront in the matter of railroad construction. For 19 years after the building of the first railroad, Canada made little progress in the development of transportation facilities. In 1851, however, an act was passed authorizing municipalities to incur extra municipal expenditures for railroad purposes, and the assistance extended to railways by the government and city corporations started in a period of mushroom growth. The first real railroad system, the Grand Trunk, was commenced in 1852 and completed in 1853. It ran from Montreal to the west, and the Canadian Pacific, the Great Western, the European and North American, the Canadian Northern, the Buffalo and Lake Huron, the Montreal and New York, and numerous smaller lines were built during this period. In 1857 Canada had increased to 1,500 miles. At Confederation the railroad mileage had increased to 17,500, and it is now considerably over 25,000 miles. The national railway, the Canadian Pacific, was completed in 1917. The Grand Trunk was a period of five years for a time before and after 1852, and the period of expansion commenced, culminating a decade later in the completion of the Canadian Pacific.

The turning of the first sod of the Canadian Pacific railway, took place 77 years ago today. The road is now a part of the Canadian Pacific system.

## FIRST THINGS.

FIRST UNAROUND STEAMSHIP.

The arrival of the first steamship of the Canadian line, the Britannia, was celebrated in 1840. The Britannia was a wooden side-wheeler, and was the first Canadian ship to cross the Atlantic, from Liverpool to Boston, in 14 days and 4 hours. For a time the Canadians made Halifax and Boston their American ports, but later New York was made the principal terminus of the line. The Britannia was the founder of the line, was a native of Halifax, N.S., and built the Britannia was the first Canadian ship to enter a contract with the British government for transporting the mails between England and Canada. ## Ever Have Cramps, Nausea, Vomiting?

THEN USE NERVILINE.  
 For Stomach Pains and Cramps, No Remedy so Prompt as NERVILINE.  
 A Westerner's Experience Related.

"It is in an unsettled part of the country like our far West that proves how valuable NERVILINE is in the home," writes Mr. Preston, a resident of Fort Saskatchewan, Alberta. "Chills are frequent—a hot drink of NERVILINE sends me to bed in half a minute. I don't think any farmer's wife has any right to be without the protection of NERVILINE. In our family we use it for a hundred ills, and it cures them all. One night one of my kiddies had earache and another toothache. Without NERVILINE no one could have helped it. It is as directed, and the children were cured. My husband, Mr. Preston, writes for Jane Jack, rheumatism, neuralgia and all sorts of muscular pains. I have used it as a liniment, and it is as much a part of my home as my kitchen stove."

Your family doctor will be a good family remedy like NERVILINE. Get the 50c family size bottle. It's more economical than the 25c bottle. Sold by all storekeepers and druggists, or by The Homeopathic Co., Buffalo, N.Y.

# TRAVELERS' DAY AT GREAT FAIR BRINGS CROWDS

Brandon Being Filled to Overflowing by the Many Excursion Trains.

ALL INDUSTRIES ARE INCLUDED IN PARADE

Excellent Special Programme of Speed Events Arranged—Judging Is Continued in the Horse Rings.

Brandon, Man., July 21.—Today is Travelers' Day at the Dominion fair. The early morning of the day has been spent preparing for the greatest day of the exhibition. Excursions are arriving every few minutes from all parts of the west, and prospects for one of the biggest crowds of the fair are in sight.

In honor of the day the city is decorated, and presents a very attractive appearance. Flags, bunting and decorations of all kinds are in evidence everywhere throughout the city, private residences being decorated lavishly, as well as business streets.

In all, five special trains over the C.P.R. have over the C.N.R. and the G.N.W., will reach the city today, bearing in travelers from all parts of the west to participate in today's celebration.

**Grand Parade Held.**  
The parade which takes in representative floats of every industry on the American continent, commenced shortly after 10 o'clock, and traversed the leading thoroughfares of the city before entering the fair grounds.

The sky is overcast, and it looks like rain. Should rain fall, the celebration will be marred to a great degree.

A special program of speed events has been arranged for today, and the following purses of \$3,000 and the 2.22 pace or 2:17 trot, for a purse of \$1,000 being the principal.

Judging was continued this morning in the different horse rings before the fair crowds, and will go ahead all day. In the horse classes, the following awards were made this morning:

**Horse Shows.**—New gelding, foaled in 1910—L. Kennedy, Bell, ex-Bennet, Brandon; 2, J. R. Strone, Brandon; 3, L. and K. Nels, Brandon.

**Amateur Judging Continued.**  
Judging of cattle was continued at 10.30 o'clock this morning. It is proposed to finish up the Amateur classes and get the Short horns well under way by tonight. R. Ness still continues to win a large share of the prize money.

As an instance of the value of exhibition stock at the various shows it may be mentioned that the Holstein herd of A. C. Hardy, Brockville, Ont., won \$500 in prize money at the Winnipeg show, and won between \$500 and \$600 here on Saturday. The milk production is not complete, however, and the results should be out by Wednesday. By reference to the date these results are expected, some new records being expected.

**NO RELATION TO ALICE.**  
Ben Roll, no relation to the one of the same name, charged this morning with selling drugs, without a license. Ben Roll was also charged with concealing poison and A. P. Hous for selling them. The cases were not filed but were remanded till tomorrow.

**GOING OVER TADMAN.**  
Messrs. Jaw, Sask., July 21.—Sergeant of the Mounted police leaves to-day for Chicago to bring back with him Tadman arrested there in connection with the theft of copper wire and the carrying of the same from the C.P.R. Agent Subor of the C.P.R. is now in Chicago to bring back Tadman for the C.P.R. A warrant has also been issued for the arrest of Tadman, who is now in Chicago. Tadman is accused of receiving brass stolen from the C.P.R.

**BARRY DEFEATS PEARCE.**  
London, July 21.—Any fears that the world's scullion of the world's scullion would lose the stranglehold of the Thames water man in the world's scullion of the world's scullion was shattered today when the champion outwitted his opponent over the Thames. Barry defeated Pearce, who had been around every challenger who has tackled him, and these included that bright Toronto boy Eddie Burns.

**M. R. JENNINGS' MOTHER DEAD.**  
Buffalo, N. Y., July 21.—Mrs. Mary Jennings, mother of the late M. R. Jennings of Edmonton, died at midnight at the home of her son in Buffalo, New York, after six weeks' illness.

**NINE ARE INJURED IN WRECK OF WORK TRAIN**  
Accident Done in Rock Hill—Engine Overturned Near Traffic Department.  
Rock Hill, S. C., July 21.—Nine men were injured, some of them seriously, when a Canadian Pacific work train about 200 miles east of here last evening was wrecked by a slight breeze. It required 12 hours to repair the track and westbound passenger trains due here last night arrived at about noon today.

**LONDON UPSETS; DROWNED.**  
CANOE, July 21.—John Williams was drowned in the Thames, near Windsor, his canoe upsetting.

**ROADS ARE HORRIBLE.**  
The horrible conditions of the roads in the vicinity of the Park Tunnel and the Plainesville, located at the corner of Spruce and John streets, has been called to the attention of the commissioners by this company. The contractors have left many of the streets in such a poor condition that it is almost impossible to get heavily loaded trucks away from the mits in any direction. Superintendent Iden has been asked to visit an inspector.

**GET IT AT THE BAY.**  
The golf links are still a thorn in the flesh of the city officials. The parks superintendent has reported that the golfers seem to be about the most exacting sportsmen he has to deal with. They will be satisfied with nothing but the best, and the superintendent feels that they should pay for it. He estimates that they cost \$300 a year. These clubs number only about 40 members, and the superintendent feels that they are not worth the cost of the grounds he gives for the use of other sports at least for

As an instance of the value of exhibition stock at the various shows it may be mentioned that the Holstein herd of A. C. Hardy, Brockville, Ont., won \$500 in prize money at the Winnipeg show, and won between \$500 and \$600 here on Saturday. The milk production is not complete, however, and the results should be out by Wednesday. By reference to the date these results are expected, some new records being expected.

**NO RELATION TO ALICE.**  
Ben Roll, no relation to the one of the same name, charged this morning with selling drugs, without a license. Ben Roll was also charged with concealing poison and A. P. Hous for selling them. The cases were not filed but were remanded till tomorrow.

**GOING OVER TADMAN.**  
Messrs. Jaw, Sask., July 21.—Sergeant of the Mounted police leaves to-day for Chicago to bring back with him Tadman arrested there in connection with the theft of copper wire and the carrying of the same from the C.P.R. Agent Subor of the C.P.R. is now in Chicago to bring back Tadman for the C.P.R. A warrant has also been issued for the arrest of Tadman, who is now in Chicago. Tadman is accused of receiving brass stolen from the C.P.R.

**BARRY DEFEATS PEARCE.**  
London, July 21.—Any fears that the world's scullion of the world's scullion would lose the stranglehold of the Thames water man in the world's scullion of the world's scullion was shattered today when the champion outwitted his opponent over the Thames. Barry defeated Pearce, who had been around every challenger who has tackled him, and these included that bright Toronto boy Eddie Burns.

**M. R. JENNINGS' MOTHER DEAD.**  
Buffalo, N. Y., July 21.—Mrs. Mary Jennings, mother of the late M. R. Jennings of Edmonton, died at midnight at the home of her son in Buffalo, New York, after six weeks' illness.

**ROADS ARE HORRIBLE.**  
The horrible conditions of the roads in the vicinity of the Park Tunnel and the Plainesville, located at the corner of Spruce and John streets, has been called to the attention of the commissioners by this company. The contractors have left many of the streets in such a poor condition that it is almost impossible to get heavily loaded trucks away from the mits in any direction. Superintendent Iden has been asked to visit an inspector.

**GET IT AT THE BAY.**  
The golf links are still a thorn in the flesh of the city officials. The parks superintendent has reported that the golfers seem to be about the most exacting sportsmen he has to deal with. They will be satisfied with nothing but the best, and the superintendent feels that they should pay for it. He estimates that they cost \$300 a year. These clubs number only about 40 members, and the superintendent feels that they are not worth the cost of the grounds he gives for the use of other sports at least for

**GOOD.**  
Well, old 13 is a half good and nothing but good luck to this section so far.—Florida Times-Union.

### THE GAY WORLD.

Mr. and Mrs. Fred Montgomery, Saskatoon, are in town, the guests of Mr. and Mrs. John Montgomery, eighth street. The whole party will go to Wabamun today.

Mr. and Mrs. Jessop, Winnipeg, were the guests of Dr. and Mrs. Nichols, en route to the coast.

Mrs. Beas, Winnipeg, who has been visiting her daughter, Mrs. Capstick, Arlington Apartments, leaves shortly for Banff.

Miss Marjorie Beck went down to Dickerly on Saturday to visit Mrs. Frank Smith there.

Mrs. Osborn, who is the daughter, Elizabeth, of Winnipeg, are the guests of her brother and sister-in-law, Mr. and Mrs. H. M. E. Evans, Stony Plain Road.

Miss Linn Wright, Lethbridge is in town, the guest of her aunt, Mrs. H. Knott, Second street.

Miss Shibley was the hostess of a merry little party last evening out to the country club for dinner. The club house is now quite finished, and one of the most delightful places imaginable. The party was planned in honor of Mrs. Primrose of Pictou, N.S., who is Mrs. de Wolfe MacDonald's guest. Those who composed it were: Miss Crosskill, Mrs. de Wolfe MacDonald, Mr. Crosskill, Mr. and Mrs. Maxwell, Mr. and Mrs. Parker, Mr. and Mrs. Wright, Mr. and Mrs. Calderon, and Miss Joan MacDonald.

Miss Edna D. Merry of Spokane is spending her summer vacation in the city, the guest of Miss Eva Stewart, 45 Clara street.

Miss Edith MacLachlan, a member of the G.V.P.C., and the author of a number of delightful stories for children, has come to town, and will conduct a summer primary kindergarten school for children in the First Presbyterian church. Miss MacLachlan has had a great deal of experience in dealing with children, and has been most successful. Miss MacLachlan's sister, Mrs. Cummings ("Lion"), is president of the Calgary Press club.

Mr. and Mrs. F. A. Walker, of Fort Saskatchewan, who are touring the continent, have left Paris for Nice.

Miss Peggy Merrill, who has been staying with her mother and sister in Toronto, will return to town about August 1st. Miss Merrill went east to recuperate after a trying illness. The change of scene and climate has accomplished wonders.

Miss Beatrice O'Connor has returned from school in Montreal. Her brother, Mr. George O'Connor, K.C., who went east to meet Miss O'Connor, came back yesterday.

Mrs. Jackson and little son, who are the guests of Dr. and Mrs. Strong, have gone to Badollet to visit friends there for a week or ten days.

Mr. Raoul Gaborry, who went down to Quebec to attend the Laverne-Gaborry nuptials, arrived back in town yesterday.

Miss Phyllis Grant left Saturday to be present at the Pace camp in the Yellowstone Park. Mr. Allan Harvie will be a guest there also later on.

Miss Fairview and Miss Minnie Fairview leave tomorrow for Vancouver, to stay with friends there. The Fairview wedding will take place quietly in Winnipeg on Saturday next.

It isn't that we want to be men. All we need to adopt some of their gentlemanly habits of "taking things easy" as they say, and waiting for the skies to clear.

We should learn to play more—to seek diversion when we have failed to strike the high note and the gloomy, oppressive mantle of despair falls upon us.

If this is womanly, then let us try to break away from it and get some of the cheerful, manly, game-playing attitude which means that one can't win all the time.

Let us learn to play the game. Writing of the Princess Mary, an "Englishwoman" says in the Toronto Star:

"Like her mother, the Princess takes but very little interest in dress. Even her beautiful golden hair is tossed about in an ungainly, but certainly, she leaves her clothes entirely to her mother, who sets herself conscientiously to the performance of a duty, for which she is entirely unfitted. Many people think it is impossible to make a dress plain and unattractive, but certainly that result has been achieved many times by her Majesty of England during the childhood of Princess Mary. At a dinner, she wore a dress of white with a dove shawl, in brilliant June sunshine, the poor child appeared swathed in a black sea of white, with no relieving piece of lace or tulle, because her grandfather, the late King Edward, had 'really died' 'sincerely' said a sympathetic mother in the crowd. 'A black shawl on a white dress would have been the case.'"

The daughter strikingly resembles her mother in character and looks. Though not in the least pretty, she has a pleasing appearance rather marred by a hardness of expression. The blue eyes do not often meet tenderness and the mouth can set in a very haughty curve. Only those who know the young Princess and the Queen in the intimacy of home have any idea of the genuine kindness of heart and cheerfulness for the court and happiness of others which exist under those rather hard and repellent exterior.

THE CLUB HOUSE AT THE GOLF LINKS is a very popular place on sunny days for a cup of tea. It is much too hot for malines or formal affairs, and so the members of a whole day centres in the tea hour. The tennis club in the west end and the country club are also immensely popular.

Miss Vidua Ironsides has returned from Banff after a delightful "two weeks" stay at the Chateau.

The members of the Hinky Panky club were the guests of the Hinky Panky club at the Saturday matinee. The club had two of the loveliest boys on the right hand side and during the performance handed the star, Miss Florence Moore, a magnificent bouquet of flowers tied with pink ribbon. Those in the box were Mrs. Arthur Murphy, Mrs. Dixon, Miss Jeanne Foxworth, Miss Edith Felix, Miss Armitage, Mrs. Beaufort, Mrs. Stan. Christie, Miss Maude McKenney, Miss Kathleen Murphy and Miss Nunan.

Miss Shibley was the hostess of a merry little party last evening out to the country club for dinner. The club house is now quite finished, and one of the most delightful places imaginable. ### FRATERNAL

The regular meeting of Court Ed. number 1, 1084, of the Canadian order of Foresters will be held in the Machine hall on Third street tonight. The meeting is an open one and the business transacted will require a very short time. Bro. Jos. Slade who has just returned from a trip to Florida and the Everglades will give an illustrated lecture on the country which will be not only interesting but also instructive. Everybody is cordially invited to attend.

### ACCIDENTALLY SHOTS HIMSELF

Brandon, July 21.—Walter Fletcher, a middle aged farm hand, accidentally shot himself on a farm at Hayfield about 15 miles west of here yesterday. He was cleaning a rusty revolver when it exploded. He was found dying immediately after the report was heard.

Fletcher was an ex-soldier and greatly liked by his employer, C. C. Hearn. The accident occurred in the bunk house and the bullet entered through the left eye and came out at the back of the head. Fletcher has a sister in Winnipeg who is being communicated with.

## Close Race in Second Half of Intermediate Division of E. S. F. B. L.

Although the Sons of Scotland appear to have a division of the intermediate section of the city football league clinched, the race in B division is much more in doubt. The Sons have still one game to play in A division, and they are now leading the standing by four points. The Gallies B, who are second with six points, have completed their schedule and cannot overtake the Sons. Strathcona has one to play, but even if they win it that will not put them ahead of the standing.

In B division the Sons of Scotland are on top with no more games to play. The Hudson's Bay company are tied with them in second place with one game to play. The C.P.R. is third with one to play, and the Edmonton Welsh with one to play. If the Hudson's Bay should win they will be on top of the league. If the C.P.R. win and Hudson's Bay lose the C.P.R. wins. If both the C.P.R. and the Bay lose the S.O.E. and the Bay are tied.

The standing of the two divisions is as follows:

	A	Goals
S.O.S. ....	5	14 3 10

## BALL AVERAGES WILL BE ISSUED AT END OF JULY

Morse of Medicine Hat Fined and Warned—Team Will Play Bronks All Week

The batting and fielding averages of the Western Canada League will be issued for publication by Wednesday, July 30, stated Secretary Horner yesterday. He will have them completed a short time before that and every paper in all the cities around the circuit will be supplied with a copy in ample time for publication on that date.

Morse, one of Medicine Hat's players, who was reported for using unpleasant language to people in the grand stand and bleachers, was fined ten dollars by the league president and warned that another similar offense would result in his suspension.

The Edmonton team returned to the city yesterday after their trip around the circuit. Some of the boys are a little disheartened by their failure to win a majority of the games, but consider that it was due to a bad break of luck to a certain extent. The team is again at full strength with two new men on the lineup in O'Brien and Huel.

The games will start at 6:15 tonight and all ensuing nights. Calgary will be here for the entire week, playing a double header Saturday and probably Wednesday.

### INTERNATIONAL POLO

Toronto, July 21.—An interesting polo match on Saturday Toronto defeated Buffalo by 6-1-2 to 1-1-4. The teams were as follows:

American team—1, Mr. C. Curtis, captain; 2, Clarence Sidway; 3, C. W. Goodysar; back, Chandler Bielestin; spare, Ed Patterson.

Canadians—1, Roy Northridge; 2, Allan Case; 3, Major Benoit; back, Red Marshall; spare, Gordon Beadmore.

Referee: Major Sweeney. Timekeeper: A. C. Beadmore.

## EDMONTON WINS FIRST OF SERIES WITH CALGARY'S ALL STAR ELEVEN

### EDMONTON C.C. DEFEATS TEAM FROM 'SCONA

Two Leading Clubs in League Meet and Edmonton Cricketers Avenge Former Defeat.

The two leading clubs in the league table met on the grounds of the former club on Saturday, when the Edmonton club succeeded in avenging the defeat they experienced at the hands of the Southsiders earlier in the season, winning very easily with a good margin in hand.

Edmonton, batting first, were able to declare their innings closed with the score at 153 for six wickets thanks to a good innings by A. H. Dickens, who made 32, and a hard hit score of 84 not out by E. G. Pardee, who made a welcome reappearance for his side.

Strathcona had an hour and forty minutes to bat, but could only score 57. R. L. Burke batted well for 21, but had very little support except from A. Macmillan, who was smartly caught by Woodman in the deep after making 11.

The fielding of the Edmonton club showed marked improvement, every catch which came to hand being accepted.

For the winners A. H. Dickens took six wickets for 41 runs and G. R. Jackson three for 42.

For Strathcona Van Velsen took two for 23 and Bell three for 57.

### ST. PAUL REGATTA

St. Paul, Minn., July 21.—The Duluth regatta were the leaders in this year's international regatta, as following up their wins of Saturday, they today took the senior eight, junior fours, and the winning boat race. The senior doubles went to Minnesota, the senior singles to St. Paul. It was in the canoe race, however, that the Canadians outstripped everything, and despite the handicap of having to substitute late local canoes in the place of their racers, managed to take home twenty Canadian medals. The only races they lost were the 200 yards singles and the 200 yards tandem.

## O'BRIEN LOSES TO FRED WELCH IN 15 ROUNDS

English Lightweight Disposes of Another Aspirant for Championship Honors

Vancouver, July 21.—Hitting generally, superior work in the clinches and in all round cleverness gave Freddie Welch, British lightweight champion, a comparatively easy victory over "Young Philadelphia" Jack O'Brien at the Brighouse arena, Saturday afternoon before the largest crowd that ever attended a boxing match in British Columbia. The bout went the limit, 15 rounds, and Welch's victory was decisive.

It was a fast battle from start to finish, and although O'Brien, a youngster of 19 years, fought gamely and was strong at the finish, he was clearly outpointed by his older and more experienced opponent. At long range the youngster had an even break with the Britisher, but in the clinches and at lightning he was helpless. The millage was done by either boy O'Brien's lower lip pulled a little when he left the ring, while Welch did not bear a mark.

### TO GIVE RITCHE FIGHT.

Vancouver, July 21.—Vancouver promoters will probably meet Willie Ritchie's demands of a guarantee of \$15,000 for a 20-round bout with Fred Welch on Saturday night at the Commodore Hotel.

## Quakers Divide With Edmonton on Saturday

Saskatoon Won the First Game But the Birds Captured the Evening Contest—Both Games Were Large Uneven Score and Marked by Heavy Hitting.

Saskatoon, July 21.—Edmonton and Saskatoon divided Saturday's double header, the Quakers taking the first game 7 to 1, and the Birds the second 12 to 8.

The second battle was the wildest exhibition seen here for many months. Churchill walked three men in the first session and found for one hit, a double, made an error, while three were made behind him. Six runs were scored, and O'Brien won the match here this season, and was played in one hour and 25 minutes.

## Victoria Amateurs Play Better Than Pro Men

In the First of the Amateur Versus Professional Series in British Columbia the V. A. C. Draw With Vancouver and Show More Speed and Dash.

Vancouver, B.C., July 21.—Coming up from the Amateur ranks into professional company, the V.A.C. lacrosse team faced against the Vancouver 12 in the first match in the city championship series at Athletic Park, Saturday, surprised the crowd and gratified a superlative degree their supporters by holding the veterans down to a draw of five goals, after four strenuous periods of action.

### SCOTCH ARE STILL WINNING AT BISLEY

Bisley Camp, July 20.—Shooting yesterday for the Wimbledon cup, the Scotch were victorious, often shots at 600 yards, Canadians engaged most of the following scores:

## Lack of Team Work Was Cause of Downfall of Hand-Picked Bronchos

Edmonton Forwards Played Beautiful Combination Game Scoring Two Goals to Calgary's One—Game Was Seen in Southern City This Year Declare All of Calgary's Football Fans.

Edmonton soccer fans feel like singing a psalm of praise to the team which went to Calgary Saturday and defeated the all star aggregation from that city by a score of two to one. The Edmonton team won by playing smart football, better organization, better condition, and better knowledge of the game. Even so Calgary played a good game individually, and Calgary fans are unanimous in agreeing that the exhibition was the best seen in that community this season.

The Calgary team was the pick of the league. It consisted of the best men selected in the same manner that the Edmonton team was selected, and it was chosen at the same time. The Edmonton team was chosen. It had had several practice matches with other eleven in the league, so that there is little if any reason why they should play poorer exhibition game than Edmonton except possibly owing to the fact that most of the visitors were from one team whereas the Calgary eleven was more evenly picked from several clubs.

### A Few Changes

A few changes were made in the lineup of the Edmonton team Moffat who had been chosen for full back not being able to make the trip, McIntosh took his place. McIntosh's place on the back line was filled by Cowan. Jim McLuckie also remained behind, Spence occupying his position.

The Edmonton forward line was irresistible. They swept down the field time after time like a machine, combination working perfectly, driving the entire Calgary eleven back into their own goal in desperate efforts to prevent a score. The wings outmaneuvered and outplayed their opponents in a manner that made the hearts of all Edmontonians swell with pride. Their half back checked and kicked beautifully. Kinsman and McIntosh at full back were adequate protection. Parker in goal played well though not called on very often.

### The Calgary team appeared disorganized.

The Calgary team appeared disorganized. With the exception of the right wing men the forward line had no combination. The wings were dazed by the kicking and checking of the Edmonton eleven. They frequently resorted to lone kicks, but did not go where they were intended to go, if they were intended for any particular point. The half-back line alone would have been unable to stop for an instant the rushes of the Edmonton forwards, and it was only by drawing back the forward line that the score was not larger than two to one.

It had at first been intended that the game should have been played at Victoria Park, the new football field beside the baseball diamond, recently prepared by Sam Savage, but the place was changed a short time before the contest started. The new field, which hereafter will be the scene of many a game, was ready. A large number of fans made the lengthy journey to the park to see the game.

### Saved Quickly.

Right from the start of the first whistle the bunch were kept alive by the fast work of the Edmonton team. It was only 20 seconds after the first goal was scored. From the kick-off the ball went out to Collier, and was carried down the field on that wing. A few passes among the outside men and the skin came to centre, and two seconds later the net was rattled. The Calgary people some idea of what the Quakers could do. The Calgary team appointed many of the spectators helped the Edmonton team with their cheering. The Calgary team was in the Calgary end of the field for the next 15 minutes, although the home club kept up a game field, and the skin came to centre, and two seconds later the net was rattled. # NO RECORDS ARE BROKEN AT THE MANITOBA CHAMP. MEET

Poor Condition of Track Record Making Out of Question—Good Times were Made However—Winnipeg Captures Majority of Firsts With Brandon Second—Colored Runner Wins Three Firsts and All Round Place.

Brandon, July 21.—The annual championship meet of the Manitoba branch of the Amateur Athletic Union of Canada held in connection with the Dominion Fair was carried out Friday at the exposition grounds. A light breeze prevailed, a slight cross wind interfering very little with the runners. The arrangements to ensure an uninterrupted view of the races from the grandstand were totally inadequate.

Competitors were drawn principally from the Winnipeg North End A.A.U. club. The winners of the various events should be well satisfied with their share of the spoils. J. A. Howard, the colored runner, capturing the 100 yards, 220 yards and 440 yards with one even being really extended, and the half mile and mile in easy fashion. Altogether the Winnipeg boys captured 12 firsts, Brandon 5 and Minneapolis 1. The referee was T. Boyd, track judges, O. Carson, A. B. Morrison and Bert Howney; timers, W. Smith, Hurl, H. Hese and E. Knapp.

**Another Double Header Divided**  
Bronchos and Medicine Hat Immature Edmonton and Saskatoon.

Calgary, July 21.—The Bronchos and Hatters broke even in Saturday's double header, thus giving the visitors an even break on the series. In the afternoon the local defence blew up, seven errors being largely responsible for the 9 to 0 score of the manufacturers. In the evening Ise, Isbell, who has been playing in the field for the Bronchos, strung their series, lifted a three bagger into right in the seventh when two men were on bases, and tied up the score at 3 all. In the next inning Meyers won his own game when he singled, and was sacrificed to second by Vivian and came home on a single. Scores:

## TENTH STRAIGHT LOST BY REGINA

Noisy Collection of Fans Jeer While Millers Defeat Sox Twice in One Day.

Regina, July 21.—With a noisy bunch of Moose Jaw fans boosting and jeering, local fans had to grit their teeth and watch the Red Sox trampled in dust in both games of Saturday's double header. This made 10 straight games Regina lost to the Millers in six days. The afternoon game was a good exhibition up to Regina's hoodoo inning, the seventh. Northrup was steady in the pinches, but was unfortunate in getting a shut out as he was hit hard. Newman showed lots of stuff, but was shy on control. The evening game was a burlesque. Givins pitched poor ball, but it was good enough the way Quinn and Manning were working and the support they received.  
Dyer inspired very bad ball, especially in the evening. He fired Foster 815 and put him out of the game in the first inning. Regina may protest the evening game because Dyer went to sleep and failed to see a play in the first inning. After giving a decision at first base, he walked away with his back to the home plate, failing to see a runner attempting to score. The ball was whipped home and the runner lounded out on the line, but Dyer did not see it and permitted the run to count. Later on, when Moose Jaw had the game clinched he gave the Sox the benefit of some raw decisions when they did not do any good; on one decision he robbed Johnson of a clean steal of home. The score:

**First Game.**  
Moose Jaw ... 020 000 311—7 9 2  
Regina ... 000 000 000—0 7 3  
Batteries: Northrup and Moore; Newman and Baker.  
**Second game.**  
Moose Jaw ... 303 012 410—14 16 2  
Regina ... 120 011 090—7 11 8  
Batteries: Gavin and Moore; Quinn, Manning and Ross-Baker.

**S. O. E. LINE-UP.**  
The following is the S.O.E. line-up for this evening's game with the Hatters: Deal, Baxley, Backy, Gibbons and Storey; halves, Collier, Clibbery, Jennings; forwards, Casson, Dufkield, A. N. Other, Hughes, Kiron. Players are requested to be in attendance at all exhibition grounds promptly at 7 o'clock.

Office of James A. MacKinnon, Suite 706  
Foster Block, Edmonton, Alta., July  
17, 1913.In the Matter of the Estate of  
Charles McDougall, Edmonton,  
Alta., Insolvent.

Notice is hereby given that the above named insolvent, Charles McDougall, who has been carrying on business as Railroad Construction Contractor at Edmonton, in the Province of Alberta, has made an assignment of his estate to me, for the benefit of his creditors, under the Assignment Act of the Province of Alberta. The creditors are notified to meet at my office, Suite 706 Foster Block, in the City of Edmonton, at 1:30 o'clock in the afternoon of Thursday, the Twenty-fourth day of July, A.D. 1913, for the purpose of receiving a statement of the affairs of the above named insolvent and for the appointment of inspectors and the giving of directions with reference to the disposal of the estate.

All persons claiming to be entitled to rank must file their claim, accompanied by statutory declaration, with me on or before the date of the meeting of August 1, 1913, after which date I will distribute the assets thereof, having regard to those claims only of which I then have received notice.

JAS. A. MCKINNON,  
OFFICIAL Assignee.CITY OF EDMONTON  
WATERWORKS DEPT.

Water consumers are hereby notified of the following changes in regard to water rates, discounts and deposits on water accounts, as authorized by the city council and city commissioners.

Torontos Refuse to Play Tecumseh Who Were Awarded the Game—Would Not Even Allow Tecumseh Into the Playing Grounds or on the Field.

Toronto, July 21.—The Tecumseh lacrosse team would not play, and therefore the referee awarded the game to the Tecumseh after waiting until 3:30 p.m. on the appointed time for the game. The Tecumseh had intended to line up on the field and score a goal, claiming the same by default, but referee Finlayson stated it would not be necessary.

The cause of the trouble in a nutshell is that the Toronto disagreed with the decision of the league officials in the Yeaman case. Yeaman, after Longfellow was disabled, was suspended for two weeks, during which time he did not play. The suspension was extended for two more weeks, when the first period had expired, but the Tecumseh appealed to the league management. The appeal was sustained, and Yeaman was allowed to return to the game, but having played against Irish-Canadians last Wednesday.
